We have a statement regarding the civil grand jury...is that what you are looking for?

Thanks Josh!

I will review this later, appreciate you handling so quickly.

Also I sent MR something on the Grand Jury report on LAPD pursuit tactics -- not sure if you guys wanna handle or just refer me back to Lt. Ferry in EVOC (who I've interviewed for past stories on this topic. I think most of them ran before you moved downtown).

Let me know how you wanna handle. Thanks,

JQ
